

Selected Publications of Hellmuth Broda

1 *Business Publications*

Broda, H. (2007) The Different Faces of Openness: How to Further Software Innovation. Proceedings of the 2007 Computer Science and IT Education Conference, pp. 137—139

Broda, H. (2007) Open Source, Open Systems, Open Standards: Von der Informations- zur Partizipations-Gesellschaft. Schweizer ICT Jahrbuch '07

Broda, H. (2007) Optimaler Datenschutz und Datennutzung im Gesundheitswesen. SwissITmedical 3/2007, pp. 23—25

Sen, A., Bhattacharya, J., Broda, H. (2007) Waste of Energy and Resources in Information Technology: Sustainability Considerations and Practices. Proceedings of the R'07 conference Davos, 2007

Broda, H. (2007) Identity Management: Protecting the Privacy of Data and Identity of Users. Proceedings of the Swiss national workshop ICT21, 2/2007

Broda, H. (2006) ODF sichert Dokumentenzugriff—auch in Zukunft. NetzGuide Government 2006, pp. 46—47

Broda, H. (2005) Sicherheit ist keine Ausrede mehr für den zurückhaltenden Einsatz von Web-Services. Netzwoche 33/2005, pp. 12—13

Broda, H. (2004) Föderative Handelsfreiheit dank Liberty-Alliance. Infoweek Schweiz, 17/2004, pp. 37—38

Broda, H. (2004) Einmal Anmelden muss reichen. Identity Management: Mehr Service und Kundefreundlichkeit. Manage-IT, 10.3.2004, pp. 54—58

Broda, H. (2004) Software Engineering – Kunsthandwerk oder Ingenieurwissenschaft? SATW-Bulletin 3/2004, pp. 15—19

Broda, H. (2004) Free Software, Open Source und Open Systems. NetzGuide 15, 2004, pp. 44—45

Broda, H. (2004) Werden unsichtbare Computer bald zum besten Freund des Menschen? Io new management 9/2004, pp. 10—14

Broda, H. (2003) Identity und Trust Management: Eine Chance für den Standort Schweiz? SATW-Bulletin 3/2003, pp. 17—21

Broda, H. (2003) The six faces of the Web. Sun Journal, vol. 5, No. 2

Broda, H. (2002) Antwort aus dem Netz. PC Pro 4/2002

Broda, H. (1997) From MiniTel to the Web Phone: Why Telecom Convergence Means More, Not Fewer, Choices for Customers. Public Network Europe: January `98

2 Scientific Publications

Broda, H. (1975) Simulation von Optomotorikexperimenten. Wissenschaftliche Staatsarbeit (Master's Thesis) Univ. Freiburg i.Br.

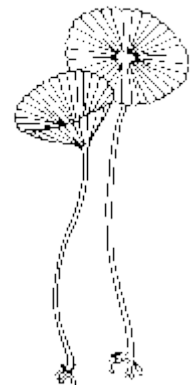

Broda, H. (1978) Elektrophysiologische Untersuchungen am Komplexauge von *Drosophila melanogaster*: Adaptationsphänomene und die Rolle des Schirmpigments bei Wildtyp und Mutanten des Sehsystems. Inaugural-Dissertation (Ph.D. Thesis) Univ. Freiburg i.Br.

Broda, H., Wright, R. (1978) Prolonged depolarizing afterpotentials in red-eyed *Drosophila*. *J. Insect Physiol.* **24**, 681--684

Willmund, R., Broda, H., Sieber, K.P. (1979) Cycloheximide suppresses a behavioral modification in *Drosophila*. *Naturwissensch.* **66**, 318--319

Broda, H., Schweiger, G., Koop, H.-U., Schmid, R., Schweiger, H.-G. (1979) Chloroplast migration: A method for continuously monitoring a circadian rhythm in a single cell of *Acetabularia*. In: "Developmental Biology of *Acetabularia*" (S. Bonotto, V. Kefeli, S. Puiseux-Dao, eds.) Elsevier/North-Holland Biomedical Press, 163--167

Acetabularia

Broda, H. (1979) Endogenous rhythmic migration of chloroplasts in *Acetabularia*. *Eur. J. Cell Biol.* **20**, 127

Broda, H., Schweiger, H.-G. (1980) Long term measurement of the electrical potential along an *Acetabularia* cell reveals an endogenous diurnal rhythm. *Eur. J. Cell Biol.* **22**, 496

Schweiger, H.-G., Broda, H., Wolff, D. (1980) Simultaneous recording of two circadian rhythms in an individual cell of *Acetabularia*. *Eur. J. Cell Biol.* **22**, 496

Broda, H., Willmund, R. (1981) Fast Phototaxis and electroretinograms in red-eyed and white-eyed retinal degeneration mutants of *Drosophila melanogaster*. *J. Insect Physiol.* **27**, 789--792

Broda, H., Schweiger, H.-G. (1981) Long term measurement of endogenous diurnal oscillations of the electrical potential in an individual *Acetabularia* cell. *Eur. J. Cell Biol.* **26**, 1--4

Broda, H., Schweiger, H.-G. (1981) Long term measurements of three rhythmic parameters in *Acetabularia*. *Protoplasma* **105**, 3--4

Gonyaulax

Taylor, W., Krasnow, R., Dunlap, J. C., Broda, H., Hastings, J. W. (1982) Critical pulses of anisomycin drive the circadian oscillator in *Gonyaulax* towards its singularity. *J. comp. Physiol.* **148**, 11--26

Gooch, V.D., Schmidt, D., Broda, H. (1982) Using the Apple microcomputer for long term data collection in research of biological circadian rhythms. In: "Proceedings of the 15th Annual Small College Computing Symposium" (P. Wetterlind, ed.)

Hastings, J.W., Taylor, W., Dunlap, J., Krasnow, R., Broda, H. (1983) Pulses of protein synthesis inhibitors phase shift the circadian clock of bioluminescence in the marine Dinoflagellate *Gonyaulax*. Pac. Sci. Congr. Proc. **15**, 97

Schweiger, H.-G., Broda, H., Wolff, D., Schweiger, G. (1983) A method for the simultaneous long-term recording of oxygen evolution and chloroplast migration in an individual cell of *Acetabularia*. In ``Polarographic Oxygen Sensors'' (E. Gnaiger and H. Forstner, eds.) Springer, Berlin, Heidelberg, New York

Broda, H., Dirk, J., Schweiger, H.-G. (1983) On-line data acquisition and evaluation of long-term measurements of circadian rhythms in individual cells of *Acetabularia*. Cell Biophysics **5**, 43--59

Broda, H., Hastings, J.W. (1984) Communication of circadian time information in cultures of *Gonyaulax polyedra*. Eur. J. Cell Biol. **33**, 9

Broda, H., Hastings, J.W. (1985) Singularity in a unicell. Can pulses of protein synthesis inhibitors stop the biological clock? In: ``Temporal Order; Symposium on oscillations in heterogeneous chemical and biological systems'' (L. Rensing and N. I. Jäger, eds). Springer, New York, Secaucus, Berlin 222--223

Hastings, J.W., Broda, H., Johnson, C.H. (1985) Phase and period effects of physical and chemical factors. Do cells communicate? In: ``Temporal Order; Symposium on oscillations in heterogeneous chemical and biological systems'' (L. Rensing and N. I. Jäger, eds). Springer, New York, Secaucus, Berlin 213--221

Broda, H., Hastings, J.W. (1985) Medium mediated effects on circadian period provide circumstantial evidence for communication in *Gonyaulax* cultures. J. interdiscip. Cycle Res. **16**, 124

Broda, H., Brugge, D., Homma, K., Hastings, J.W. (1986) Circadian communication between unicells? Effects on period by cell-conditioning of medium. Cell Biophysics **8**, 47--67

Cornélissen, G., Broda, H., Halberg, F. (1986) Does *Gonyaulax polyedra* measure a week? Cell Biophysics **8**, 69--86

Broda, H., Gooch, V.D., Taylor, W., Aiuto, N., Hastings, J.W. (1986) Acquisition of circadian bioluminescence data in *Gonyaulax* and an effect of the measurement procedure on the period of the rhythm. J. Biol. Rhythms **1**, 251--263

Broda, H., Johnson, C.H., Taylor, W.R., Hastings, J.W. (1989) Temperature dependence of phase response curves for drug-induced phase shifts. J. Biol. Rhythms **4**, 327--334
